PLEASE INITIAL THE BOXES TO CONFIRM YOUR UNDERSTANDING OF THE FOLLOWING APPLICATION REQUIREMENTS:

☐ I have exhausted all previous financial resources.

*If the previous financial resources were financial aid of any kind (Federal, State, Private or Institutional), the student must prove that it was through no fault of their own that these resources are now unavailable (ex: Not completing the FAFSA and missing aid deadlines is grounds for denial of program eligibility).

☐ I have attached a written essay documenting what unexpected, unusual, and temporary circumstances affected my ability to pay as I did previously.

*Examples of such mitigating circumstances are a death in the immediate family, illness, or other significant life change. This includes reaching the limits of the student’s aid eligibility or encountering a lack of access through acceptable means (ex: The student’s or family’s income/credit score does not meet private loan application requirements).
