

MASTER OF ARCHITECTURAL STUDIES 5+1 PROGRAM OUTLINE | 2020-2021

MASTER OF ARCHITECTURAL STUDIES

The Master of Architectural Studies program is designed for students who want to advance their knowledge of the discipline through focused study and design-studio work. This degree option is available to students already possessing a 5-year or first professional Bachelor of Architecture degree.

Note: NAAB does not recognize and/or accredit post-professional degrees.

AREA OF CONCENTRATION

Area of Concentration courses are comprised of two 3-quarter tracks. Students take one designated course from each track, each quarter for a total of three credits per quarter.
