45 Total Credits		

MASTER OF ARCHITECTURAL STUDIES

The Master of Architectural Studies program is designed for students who want to advance their knowledge of the discipline through focused study and design-studio work. This degree option is available to students already possessing a 5-year or first professional Bachelor of Architecture degree; 45 units are required for completion. Note: NAAB does not recognize and/or accredit post-professional degrees.

Master of Architectural Studies Program Learning Outcomes

(Reference outcomes 1 through 5 from the master list.)

Note: Area of Emphasis courses are comprised of two 3-quarter tracks or areas of emphasis:

Track I - Neuroscience in Architecture: AR 5711 Environmental Psychology, AR5721 Neuroscience for Architecture, AR5731 Seminars in Neuroscience for Architecture

Track II - Healthy Urbanism: AR5811 Urban Issues, AR582 Urban Design, AR5831 Livable Communities Design

Students take one designated course from each track each quarter for a total of four credits per quarter.
