THIS FORM DOES NOT APPLY TO A GRADUATE STUDENT

This application is for a review of special circumstances that have arisen, which you feel may change your financial aid eligibility. We require that certain documents **MUST** be provided to support the specific special condition selected by you and/or your spouse. We start with an evaluation of the accuracy of the information that you submitted on your Free Application for Federal Student Aid (FAFSA). We will evaluate the supporting documents along with your FAFSA to determine if you are eligible for any adjustments.

The United States Department of Education provides in the Higher Education Amendments of 1998 a reaffirmation of the use of professional judgment in determining eligibility for federal financial aid. This provision allows for case-by-case adjustments of data items used to calculate a student's expected family contribution (EFC) based on adequate documentation to address current circumstances not reflected on a student's FAFSA. The student's situation **MUST** meet one of the criteria used by NewSchool of Architecture and Design as a special condition. This means that a student who meets a special condition in the 2018-2019 award year may have his/her eligibility calculated using income from 2017 or expected income from 2018.

Required Documentation for All Conditions

- 2016 IRS Tax Return Transcript for student and spouse (if applicable). If you filed separate from your spouse, you must provide both IRS Tax Return Transcripts.
- 2018-2019 Verification Worksheet - Independent
- 2018-2019 Asset Form - Independent
- 2016 IRS Wage and Income Transcript for student and spouse (if applicable)
- IRS Verification of Non-Filing Letter for 2016 tax year (if you or your spouse (if applicable) did not file a 2016 tax return)
- 2018-2019 Special Condition Application – Independent Student
- Detailed, personalized letter stating the reason for the special condition request. This letter must be hand signed and dated.

YOUR REQUEST WILL NOT BE CONSIDERED IF THE ABOVE REQUIRED DOCUMENTATION IS NOT PROVIDED.

No Guarantee: Reporting a special condition does not guarantee that an adjustment will be made. The Federal Government has strict guidelines that the university must follow in these situations. The Office of Financial Aid may deem that the condition does not fit the spirit of the federal regulations governing financial aid programs. **ALL DECISIONS MADE BY THE OFFICE OF FINANCIAL AID WILL BE FINAL.**

Notification: The Office of Financial Aid will review your Special Condition Application on a chronological basis. That is, applications are reviewed in the order of the date of submission. If the application is approved, the student will receive an email reflecting the approval. If the application is denied, the student will be notified as such by email. Lack of notice means the application has not been reviewed as of yet.
