I authorize NewSchool of Architecture & Design to utilize Title IV and Private Education Loan funds to satisfy both institutional (tuition and fees) and non-institutional charges I incur while at the College. Typical examples of non-institutional charges are books, supplies or printing costs charged to a student account, housing, administrative drop fees, or health insurance.

I **do not** authorize NewSchool of Architecture & Design to utilize Title IV and Private Education Loan funds to satisfy non-institutional charges I incur while at the College. **I understand that if I do not authorize this use of the funds, the College will not extend credit for the additional charges, and they must be paid in cash at the beginning of each quarter.**
