

NewSchool Update: COVID-19 (Coronavirus Disease 2019) Information

Update: 12/8/20

Due to California's Regional Stay at Home Order, and to ensure the health and safety of our campus community, NewSchool has suspended student curbside pickup services until Monday, January 4, 2021. This includes Library, Technology Core, Technology, and Materials Lab services. Any outstanding appointments between now and January 4 will need to be rescheduled. Any late fees on outstanding library books will be waived, and those books will be automatically renewed through Friday, January 8, 2021.

We recognize the importance of student services and operations on campus, and as soon as the Stay at Home Order is lifted, and it is deemed safe to do so, NewSchool will resume curbside pickup. NewSchool's campus will remain in fully remote operations until announced otherwise. This decision has been made by NewSchool leadership to protect the safety and welfare of NewSchool's campus community during the COVID-19 pandemic.

Students, faculty, and staff should continue checking their NewSchool email accounts regularly. This will be our primary means of communication for all campus updates. Questions? These email accounts are monitored daily:

- Students: studentquestions@newschoolarch.edu
- Prospective students: enrollment@newschoolarch.edu
- Faculty/staff:
 - Operational questions: please email your supervisor
 - All other questions: employeequestions@newschoolarch.edu

Information About COVID-19:

Detailed information about the Coronavirus, how it is transmitted, how to protect against it, and areas to avoid travel is available at the following websites:
