

## NewSchool Update: COVID-19 (Coronavirus Disease 2019) Information

**Update: 3/31/20**

Due to the rapidly evolving COVID-19 situation and to ensure the health and safety of NewSchool students, faculty, and staff, **all Spring Quarter courses will now be delivered online for the duration of the Spring Quarter.**

Spring Quarter will begin as scheduled in the [Academic Catalog](#). We are embracing the challenge of transitioning instruction from classrooms to the online environment. This will require all faculty to take into consideration that our students are facing challenges and changes to their environment. While students are expected to attend classes synchronous to the schedule, a broad look at accommodations is necessary to assist students who may require asynchronous learning.

NewSchool faculty and staff are adapting teaching pedagogy and aligning student services to meet the requirements of an online environment. NewSchool is committed to delivering a quality virtual student experience.

Students, faculty, and staff should continue checking their NewSchool email accounts regularly. This will be our primary means of communication for all campus updates. Weekly WEARENEWSCHOOL newsletters will provide updated information from student services departments. This situation is fluid, and changes will be made as necessary when additional knowledge regarding the virus and government orders becomes available.
