STEAM CLUB SCHOLARSHIP APPLICATION

Joining high school or college clubs is a great way to jump start your professional and academic success. With the STEAM Club Scholarship program NewSchool looks to reward students who realize the value of gaining experience and skills through extracurricular activities. This scholarship may be used for any of NewSchool's undergraduate degree programs including Architecture, Construction Management, Product Design, Graphic Design & Interactive Media and Interior Architecture and Design. Eligible students must be members of a school sponsored club related to a STEAM field which includes Science, Technology, Engineering, Art/Design and Math. Club participation must be validated by a faculty/staff advisor.
