

**SCHOLARSHIP ANNOUNCEMENT
2021-22 ACADEMIC YEAR****TO INCOMING NEWSCHOOL STUDENTS:**

NewSchool of Architecture & Design annually awards the Opportunity Award to outstanding students in all of our degree programs who are experiencing a temporary financial hardship. Scholarship awards are made for varying amounts, generally up to \$7,500, with specific amounts dependent on the number of qualified applicants, amount of student's financial need and the amount of funds available. Scholarship funds are disbursed quarterly during the academic year.

Financial need and proof of temporary hardship are the two most important criteria used in determining recipients. Students who choose not to borrow Federal or Private student loans that they are otherwise eligible for are not eligible to apply for the Opportunity Award.

Minimum requirements:

- GPA of 2.5 for undergraduates and 2.7 for graduates is normally required.
- Domestic Students: A completed 2021-22 FAFSA with an expected family contribution number (EFC) below 10,000 is required.
- Students selected for FAFSA Verification will need to submit all required verification documents prior to applying for the Opportunity Award.
