OF ARCHITECTURE & DESIGN

**Update: August 18, 2021**

NewSchool of Architecture & Design is prepared to return to campus for the Fall 2021 Quarter. We know it has been a challenge for everyone navigating the COVID-19 protocols. As communities begin to ease restrictions, we are looking forward to reopening the campus, while continuing to keep safety and wellbeing our top priority.

Campus operations will be available and fully functioning starting the Fall Quarter. As we plan for the upcoming return to campus and to keep our campus community safe for all, faculty, staff, and students.

NewSchool will continue to follow the Center for Disease Control's (CDC) guidance as well as state and local requirements regarding social distancing, screening, and face covering procedures. NewSchool will mandate all perspective students, current students, faculty, and staff to wear a face covering when on the premises. A required check-in procedure will be in place and adhered to by all students, faculty, and staff. Should you choose to not adhere to the campus COVID-19 policy you will be asked to leave the premises.

We will continue to monitor and follow all health and safety protocols, prioritizing the safety and welfare of NewSchool's campus community.
