Loan Forgiveness for Public Service Employees

What are the borrower eligibility requirements for loan forgiveness under the Public Service Loan Forgiveness Program?

The [Public Service Loan Forgiveness \(PSLF\) Program](#) is intended to encourage individuals to enter and continue in full-time public service employment by forgiving the remaining balance of their eligible Direct Loans after they satisfy the public service and loan repayment requirements.

To qualify for PSLF, the individual must

- be employed by a U.S. federal, state, local or tribal government or not-for-profit organization;
- work full-time for that agency or organization;
- have Direct Loans (or consolidate other federal student loans into a Direct Loan);
- repay their loans under an income-driven repayment plan; and

Amounts forgiven under the PSLF Program are not considered income by the IRS, so an individual will not pay federal income tax for this amount.
