Overpayment of Federal Funds – Prior School

According to the U.S. Department of Education you have received one or more overpayments of federal student aid funds.

You are **required by law** to repay any federal student aid funds received for which you were not entitled.

To resolve your **OVERPAYMENT** (Federal Pell Grant, Federal SEOG Grant, Federal Perkins Loan, Academic Competitiveness Grant (ACG), National SMART Grant, Federal Iraq/Afghanistan Service Grant (IASG), or Federal TEACH Grant), you must contact your prior school to obtain a Title IV Eligibility letter.

The Title IV Eligibility letter for your overpayment **MUST** be on the school's letterhead and **MUST** state that your overpayment is either paid in full or in a satisfactory payment arrangement. *(If your overpayment account has been transferred to the U.S. Department of Education, your prior school must state this in their letter.)*

Please fax the Title IV Eligibility letter to the Office of Financial Aid at 619-684-8880.

**** Please note that the Office of Financial Aid cannot request the Title IV Eligibility letter for you. Also, the Office of Financial Aid cannot accept verbal verification of your overpayment status. The Office of Financial Aid must have written documentation of the resolved overpayment status from your prior school. ****
