8

Where does our work have an impact?

Institutional stakeholders

- Parties/witnesses
- Broader community
- Decision-makers (hearing and appeal officials)

U.S. Department of Education (ED) Office for Civil Rights

- Looks primarily to regulatory compliance

Courts

- Look to whether institutional response is “deliberately indifferent,” whether process is free of discrimination, and whether related legal obligations are met (due process; free speech)

© 2023 Husch Blackwell LLP

9

How can we help ensure success?

- Understand and follow institutional policies and procedures
- Support “due process” resolution and mindset
 - Notice + opportunity to be heard
 - Equitable procedures
 - No preordained outcome
- Provide critical documentation of process, evidence and reasoning

HUSCH BLACKWELL

What is Title IX?

“[N]o person in the United States shall on the basis of sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance.”

32 C.F.R. § 106.31

© 2023 Husch Blackwell LLP

12

What are the institution's overall duties?

© 2023 Husch Blackwell LLP

13

To which entities does Title IX apply?

Entities that receive federal financial assistance, including colleges and universities that participate in U.S. Dept. of Ed. Federal Student Aid funding

- Not individual persons
- But institutions are required to adopt policies and procedures to implement Title IX that do apply to individual persons

© 2023 Husch Blackwell LLP

14

Two Main Types of Sex Discrimination

- Adverse treatment involves adverse action that is motivated by the target's sex and that directly limits or excludes the target from participation in education program or activities
 - Usually by someone in a supervisory or authoritative position
- Sexual harassment involves
 - Unwelcome conduct that is
 - Either sexual in nature or sex based and
 - Quid pro quo; hostile environment; sexual assault; or domestic violence, dating violence, stalking
 - Sexual harassment is currently subject to more elaborate regulations governing investigation and determination

16

Example: Sexual Harassment

17

HUSCH BLACKWELL

What is the scope of Title IX’s reach?

- Title IX applies to sex discrimination in the “education program or activity” of a federal funding recipient
 - Title IX defines “education program or activity” to include the “operations” of educational institutions
- Title IX does not apply to private conduct occurring in private location that is not part of education program/activity

© 2023 Husch Blackwell LLP

18

What are examples of education programs and activities?

Admissions	Hiring	Workplace	Academic instruction
Residence life	Events/amenities on campus	Sports teams	Work-study
Clinical rotations	Off-campus trips or experiences organized by the institution	Sponsored organization activities	Anything else that happens on-campus

© 2023 Husch Blackwell LLP

Does Title IX apply to off-campus sexual harassment?

 <p>Yes, if the conduct at issue occurs in the context of an education program or activity</p>	 <p>Yes, if the conduct at issue occurs in location owned/controlled by the institution or officially-recognized student organization</p>	 <p>No, if it occurs in a private location and is not part of an institution's education program or activity</p>	 <p>No, if it occurs outside the United States</p>

22

Does Title IX apply to sexual harassment in other countries?

- No – the Department of Education interprets Title IX to apply only within the geographic boundaries of the United States
- But sexual harassment that occurs abroad could “contribute” to a hostile environment on campus

© 2023 Husch Blackwell LLP

23

What other policies might apply?

- Institutions are free to use
 - Student code of conduct
 - Faculty/employee handbooks
 - Other policiesto address sexual harassment that does not occur in an education program or activity

© 2023 Husch Blackwell LLP

24

What is the grievance process?

© 2023 Husch Blackwell LLP

25

When must we dismiss a Title IX complaint?

- Alleged sexual harassment occurred outside education programs or activities
- Alleged misconduct could not be sexual harassment even if true
- Complainant is not a current participant in education programs and activities at time of complaint

© 2023 Husch Blackwell LLP

26

When may we dismiss a Title IX complaint?

- Complainant withdraws allegations in writing
- Respondent is no longer employed or is no longer a student
- Specific circumstances prevent the institution from gathering evidence sufficient to reach a determination

© 2023 Husch Blackwell LLP

27

Who are the key institutional actors in the grievance process?

© 2023 Husch Blackwell LLP

28

What general principles govern the grievance process?

- Equitable treatment of complainants and respondents
- Presumption respondent did not violate policy unless and until a determination is made after hearing
- No stereotypes based on a party's status as complainant or respondent
- Conflict and bias-free institutional participants
- Trauma-informed

© 2023 Husch Blackwell LLP

29

Who is responsible for identifying conflicts of interest and bias?

Title IX Coordinator or designee oversees grievance process and must address known or reported conflicts of interest/bias

Institution must also permit parties to raise concerns of conflicts of interest and bias

*Individual institutional actors should self-police conflicts of interest and self-identify bias

© 2023 Husch Blackwell LLP

30

What is a conflict of interest?

- When an individual has a material connection to a dispute, or the parties involved, such that a reasonable person would question the individual's ability to be impartial
- May be based on prior or existing relationships, professional interest, financial interest, prior involvement, and/or nature of position

© 2023 Husch Blackwell LLP

32

What is sexual harassment?

Conduct on the basis of sex that is:

Quid pro
quo
harassment

Hostile
environment
harassment

Sexual
assault

Dating
violence

Domestic
violence

Stalking

© 2023 Husch Blackwell LLP

33

What is quid pro quo?

- An employee of the institution conditions the provision of some aid, benefit, or service on another person's participation in unwelcome sexual conduct
- Often arises in the employment context or where an employee holds a position of authority over a student

© 2023 Husch Blackwell LLP

34

A supervisor regularly comments on a student worker's appearance and glares at the student worker's body. When the student worker expresses displeasure with this conduct, the supervisor says, "C'mon, let an old dog have a *little* fun. Leave me alone and I'll make sure you get better hours next month."

HUSCH BLACKWELL

Example: Quid pro quo

35

HUSCH BLACKWELL

What is hostile environment?

Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the recipient's education program or activity.

© 2023 Husch Blackwell LLP

36

Respondent Campus Security Officer is Complainant Student Worker's supervisor. Officer regularly asks Student about Student's dating life, comments on Student being attractive, and discusses his sexual relationships in some detail with Student. On three occasions, Officer massaged Student's shoulders: once when Student complained of an athletic shoulder injury, once when Student was crying after a breakup, and once when Student was tense about finals.

HUSCH BLACKWELL

© 2023 Husch Blackwell LLP

Example: Potential hostile environment

37

HUSCH BLACKWELL

What factors could suggest systematic discrimination?

- Repeated and pervasive conduct
- Reduction in academic performance
- Need to transfer class
- Conduct prompts others to harass/discriminate
- Disruption in class
- Need for counseling
- Others????

© 2023 Husch Blackwell LLP

38

Does refusal to use chosen names and pronouns create a hostile environment?

- Federal law does not (presently) mandate the use of chosen (a/k/a “preferred”) names or pronouns for any student (cisgender, transgender, or otherwise)
- But the refusal to use chosen names and pronouns based on protected status and/or the use of non-chosen names and pronouns based on protected status may constitute discrimination or harassment based on the facts

© 2023 Husch Blackwell LLP

39

What about the First Amendment or other “free speech”?

While sexual harassment can be verbal or written in nature, sexual harassment under Title IX does not include conduct that is protected by the First Amendment

The subjective offensiveness of speech, alone, is not sufficient to create a hostile environment

© 2023 Husch Blackwell LLP

40

The Title IX Religious Exemption

- Title IX “does not apply to an educational institution which is controlled by a religious organization to the extent application of [Title IX] would not be consistent with the religious tenants of such organization.” 20 U.S.C. § 1681(a)(3)
- Nuanced application
- Title VII and state law may prohibit employment discrimination (classic discrimination and failure to accommodate absent undue hardship) based on sincerely held religious beliefs at public and private institutions

© 2023 Husch Blackwell LLP

41

Groff v. DeJoy (U.S. 2023)

- Postal worker seeking to maintain Sundays to worship and rest
- Supreme Court held Title VII requires an employer that denies a religious accommodation to show that the burden of granting an accommodation would result in substantial increased costs in relation to the conduct of its particular business.

© 2023 Husch Blackwell LLP

42

What is sexual assault?

There is “carnal knowledge” if there is the slightest penetration of the vagina or penis by the sex organ of the other person. Attempted rape is included.

© 2023 Husch Blackwell LLP

44

What is consent?

- Words or actions that a reasonable person in the respondent's perspective would understand as agreement to engage in the sexual conduct at issue
- A person who is incapacitated is not capable of giving consent
- Consent cannot be procured by coercion
- Be aware of minimum age of consent

© 2023 Husch Blackwell LLP

45

What is incapacity?

Incapacity refers to a state where a person does not appreciate the nature or fact of sexual activity due to the effect of drugs or alcohol consumption, medical condition or disability, or due to a state of unconsciousness or sleep.

46

Brett has been drinking all day with Brett's team at a post-season event. Throughout the day, Brett is behaving boisterously, but walking and talking without incident, tracking conversations, and seems to be having fun. The group goes to a bar in the evening, where Brett begins slurring speech, needing help to walk and use a phone, and is not making sense.

Example: Incapacitated

47

HUSCH BLACKWELL

What is statutory rape?

- Sexual intercourse with a person who is under the statutory age of consent as defined by law.

© 2023 Husch Blackwell LLP

State law sets a minimum age of consent at 17. A 16-year-old graduates from high school early and attends college the following fall. 16-year-old's boyfriend from high school, who is 18, also attends college, and the two have sex on campus in 18-year-old's dorm room. © 2023 Husch Blackwell LLP

54

What is dating violence?

“Dating Violence” is violence committed by a person:

- Who is or has been in a social relationship of a romantic or intimate nature with the victim; and
- Where the existence of such a relationship will be determined based on consideration of the following factors:

 - The type of relationship; and
 - The frequency of interaction between the persons involved in the relationship.

58

Does Title IX also prohibit retaliation?

Yes – Title IX prohibits intimidation, threats, coercion, or discrimination against any individual for the purpose of interfering with any right or privilege secured by Title IX and its implementing regulations or because an individual has made a report or complaint, testified, assisted, participated in or refused to participate in any manner in an investigation, proceeding, or hearing under the institution's policy.

Group Scenario

Charlie Complainant is a transgender man studying abroad in Italy through the University's language program. Riley Respondent is a female student studying abroad in the same program. Over the course of the semester, Riley misgenders Charlie during every conversation they have, which is usually at least once a day.

For the first couple of months, Charlie corrected Riley and let her know he was uncomfortable with being misgendered. After the conduct continued, however, Charlie stopped correcting Riley and began avoiding classes and activities in the study abroad program so he would not have to see or interact with Riley.

After the study abroad program ends, Charlie and Riley return to the University's main campus where he learns from a friend that Riley has been telling people stories about their study abroad trip, and in those stories, Riley always misgenders Charlie.

Charlie is distraught and ultimately withdraws from the University. A month after he withdraws, he contacts the Title IX Coordinator to file a Formal Complaint against Riley for Hostile Environment Sexual Harassment.

65

HUSCH BLACKWELL

How does an institution get notice of sexual harassment?

- Sexual harassment response is triggered when institution has “actual knowledge” of potential sexual harassment.

© 2023 Husch Blackwell LLP

66

What is “actual knowledge”?

- “Actual knowledge” occurs when
 - An institutional official, with authority to take corrective action
 - Observes or receives a report
 - Of sexual harassment occurring in the institution’s education programs and activities

© 2023 Husch Blackwell LLP

67

When do we reach out to the alleged victim?

- After institution has actual knowledge of alleged sexual harassment, Title IX Coordinator must contact alleged victim
- Provide information about supportive measures, explain the grievance process and how to file a formal complaint, and discuss the alleged victim’s wishes

© 2023 Husch Blackwell LLP

68

Sherman v. The Regents of Univ. of Cal. (N.D. Cal. 2022)

- In allowing claim of Title IX deliberate indifference to proceed, court noted the allegation that over four months passed between the former graduate student plaintiffs' initial email to the dean about the professor respondent's conduct and U.C. Santa Cruz placing him on leave pending an investigation.

© 2023 Husch Blackwell LLP

69

What if we can't identify the alleged victim from a report?

- Title IX Coordinator should oversee preliminary investigation to determine identity of alleged victim
- If identity of alleged victim cannot be discerned after reasonable inquiry, matter should be documented and consideration given as to whether other policies (such as student code of conduct) are utilized

© 2023 Husch Blackwell LLP

70

Do we need a formal complaint before contacting the alleged victim?

- No. Not in order to contact the alleged victim and begin support services
- The formal complaint is a specific written document that is required to commence the investigation and hearing process

© 2023 Husch Blackwell LLP

71

What are supportive measures?

- Non-disciplinary, non-punitive supports and accommodations designed to preserve access to education programs and activities
- Reasonably available without fee or charge
- Without unreasonably burdening the other party

© 2023 Husch Blackwell LLP

72

Examples of supportive measures

-  Counseling
-  Academic accommodations
-  Housing accommodations
-  Security escorts
-  Leave of absence
-  Increased security or monitoring
-  Modified work schedules
-  Mutual no-contact order where implicated by facts

75

HUSCH BLACKWELL

Do students and employees have other rights to accommodation?

- Yes—other laws may trigger accommodations when a medical condition or disability is present. E.g.:
 - Americans with Disabilities Act
 - Family and Medical Leave Act
 - Section 504 of the Rehabilitation Act
 - Title IX pregnancy accommodation provisions

© 2023 Husch Blackwell LLP

76

What if the report falls outside Title IX jurisdiction?

- Title IX requires supportive measures for reported sexual harassment covered by Title IX
- Institute may provide supportive measures for reported conduct that falls outside Title IX's scope

© 2023 Husch Blackwell LLP

77

Are supportive measures confidential?

- Generally, yes
- Only shared to the extent necessary to effectuate the purpose of the supportive measure
- Only shared with institutional employees who have a legitimate need to know

© 2023 Husch Blackwell LLP

78

Who is responsible for supportive measures?

- Title IX Coordinator is responsible for “coordinating the effective implementation”
- May be delegated with appropriate oversight
- Typically, a collaborative effort involving more than one institutional office or department

© 2023 Husch Blackwell LLP

79

Can we utilize interim removals or suspensions for students?

- Students may be removed on emergency basis if:
 - Individualized safety and risk analysis
 - Determines an immediate threat to physical health or safety of any student or other individual arising from the alleged sexual harassment justifies removal
 - Student is given immediate notice and opportunity to contest the removal

© 2023 Husch Blackwell LLP

80

Can we utilize an already existing process for interim removals?

- Yes, if that process complies with the Title IX standard.
- Common institutional examples include:
 - Threat assessment policy
 - Critical Incident Response Team (“CIRT”)
 - Interim suspension provisions of Student Handbook

© 2023 Husch Blackwell LLP

81

How do we approach trauma in a Title IX case?

Balance

“Trauma-informed investigation techniques that bleed over into ... bias detract from the fundamental tenets of fairness and impartiality that are [key to] disciplinary proceedings.”

- Candace Jackson, Acting Asst. Secretary of ED (2017)

© 2023 Husch Blackwell LLP

82

What is the definition of trauma?

Merriam-Webster: A very difficult or unpleasant experience that causes someone to have mental or emotional problems usually for a long time

English Oxford: Deeply distressing or disturbing experience

Wikipedia: Is a type of damage to the psyche that occurs as a result of a severely distressing event. Trauma is often the result of an overwhelming amount of stress that exceeds one's ability to cope, or integrate the emotions involved with that experience

© 2023 Husch Blackwell LLP

83

Possible trauma impact

- People who have suffered trauma may, but may not, experience any or a mix of:

Flashbacks

Delayed recollection

Inability to concentrate

Non-linear recollection

Self-blame

© 2023 Husch Blackwell LLP

84

Trauma & credibility

- Avoid making assumptions based on the way an individual delivers information
- Understand memory may be clarified in time
- Address inconsistencies

86

Can we place employees on administrative leave?

- Yes – employee respondents may be placed on administrative leave without requisite showing of threat to physical health or safety
- Whether an opportunity to challenge administrative leave must be given depends on employee status and other policies (e.g., Faculty Handbook)

87

Group Scenario

Title IX Coordinator receives a report that a Debate team member disclosed that Debater was sexually assaulted the previous weekend at a student organization's off-campus party by an unknown assailant. The Title IX Coordinator meets with Debater, who verbally tells the Title IX Coordinator that Debater wants to make a Formal Complaint.

Debater does not know the identity of the assailant, but gives the Title IX Coordinator names of some of Debater's friends who were with Debater at the party who may know the assailant's name. Title IX Coordinator reaches out to the friends, but never receives a response.

Title IX Coordinator dismisses the case. Three months later, Debater contacts the Title IX Coordinator stating that Debater knows the identity of the assailant, who is a student at the College. Debater asks the Title IX Coordinator for supportive measures in the form of a mutual no contact order and a ban on the assailant from entering Debater's residence hall or the library where Debater works.

91

Documentation & Title IX Processes

© 2023 Husch Blackwell LLP

92

What needs to be documented?

- Initial reports and assessments
- Supportive measures
- Formal complaints or decision not to proceed
- Notices and revised notices; other information provided to parties
- Investigation steps
- Evidence gathered and its origin
- Outcomes
 - Informal resolution
 - Initial decision
 - Appeal decision

93

Why document?

© 2023 Husch Blackwell LLP

94

What is the end goal of documenting during the Title IX resolution process?

- A document demonstrating:
 - Fair process
 - Including alignment of applied process with written institutional policies/procedures
 - As applicable
 - Informal resolution process and outcome
 - Thorough investigation
 - Reasoned decision-making
 - Under relevant policy language
 - Including findings regarding material disputed facts, credibility, and inconsistencies (as applicable)

“Complainant alleges that Respondent laid on top of Complainant, pulled Complainant's underwear down with one hand, while pinning Complainant's arms with Respondent's other arm, penetrated Complainant's vagina with a vibrator, while pushing Complainant against the wall next to the bed so Complainant could not move.”

Facts

Facts that matter

- Consider elements of alleged policy violation
- Which facts are relevant to each element?
- Which are disputed and undisputed?

Goals

- Investigators: identifying disputed/undisputed material facts
- Decision-makers: reaching resolution of disputed material facts

How to do this?

- Show your work
- Decision-makers: Explain your credibility assessments

“Evidence includes a recording of Pat and Dre in which Pat was drunk”

vs.

“Pat provided a recording of a discussion between Pat and Dre that Pat reported recording at the Bar. In the recording, Pat states loudly, ‘I’m so wasted;’ in the remainder of the two-minute recording, though individual words can be heard, Pat’s speech is unintelligible. Pat stated this was slurring due to intoxication. Dre agreed the recording was of Pat and Dre.”

106

Analysis & Conclusion

- Put everything together
- As to each allegation: Analyze whether a violation of policy occurred (not the law)
- Explain your reasoning
- Include the good/bad/ugly
 - E.g., explain decisions about conflicting information (E.g., “As discussed above, there is some evidence suggesting that [X], but the preponderance of the evidence supports a finding [of the opposite of X]”)
- Address sanctions/remediation

107

Common “mistakes” in report-writing

- Chronology of events is hard to follow
- Failing to spell out the allegations and relevant policies
- General lack of clarity/coherence
- Including too much information about irrelevant details
- Insufficient information on important issues
- Decision-making
 - Speculation
 - Conclusory determinations and credibility findings
 - Not clearly or adequately explaining basis for decision
 - Not clearly articulating whether/not the preponderance of the evidence establishes that it is more likely than not that the alleged misconduct occurred

The Investigation

© 2023 Husch Blackwell LLP

109

HUSCH BLACKWELL

What is the purpose of Title IX investigation?

- For the institution
- To collect relevant inculpatory and exculpatory evidence
- Sufficient to permit an impartial decision-maker to determine through a live hearing
- Whether or not the reported sexual harassment occurred

© 2023 Husch Blackwell LLP

110

What are the general principles of an investigation?

- Investigator has an independent duty to collect relevant inculpatory and exculpatory evidence
- Parties must have sufficient notice to prepare and meaningfully participate
- Parties have an equal opportunity to present their statements, evidence, and to identify witnesses
- Parties have equal opportunity to review and comment on evidence developed
- Investigation is evidence-gathering; not fact-finding

© 2023 Husch Blackwell LLP

111

What is a formal complaint?

- Signed writing
- From the alleged victim or the Title IX Coordinator;
- Alleging sexual harassment;
- Indicating desire to initiate the grievance process (i.e., investigation and hearing).

© 2023 Husch Blackwell LLP

112

How do we tell the parties about an investigation?

- Institution must provide the parties written notice of a formal complaint that includes sufficient details about the “who, what, when, where, and how” before investigating

© 2023 Husch Blackwell LLP

113

What else does the notice need to say?

- Written notice must also include:
 - Statement of presumption respondent is not responsible unless and until a determination is made at the end of the process
 - That parties have the right to an advisor of their choice
 - That parties have the right to inspect and review evidence
 - Any prohibition on providing knowingly false statements or information

Example: Inadequate notice

115

HUSCH BLACKWELL

Can we gather any information prior to the written notice?

- Yes, but only to the extent necessary to determine how the case will proceed
- Typically, this “preliminary inquiry” would involve identifying the putative victim and understanding the scope of the allegations
- Information gathering that seeks to determine whether the allegations are true is investigatory and should await the written notice

Example: Preliminary inquiry

117

HUSCH BLACKWELL

May we take steps to preserve information before sending the written notice?

- Yes, if the work isn't investigatory and there is a legitimate concern information will be lost
 - Placing a "hold" on an email account
 - Asking IT to capture server-level data
 - Having campus security suspend auto-delete of security footage

© 2023 Husch Blackwell LLP

118

How do we collect evidence in an investigation?

Interviews of parties and witnesses

Collection of non-testimonial evidence

© 2023 Husch Blackwell LLP

119

How do you structure an interview?

Rapport building/information providing phase

Substantive testimony collection

Closure/information providing phase

© 2023 Husch Blackwell LLP

120

How do I ask questions in the substantive phase?

- Open-ended and non-suggestive invitations
- Use facilitator words to keep the narrative flowing
- Use cued-invitations to expand particular topics
- Delay use of specific questions (“recognition prompts”) as long as possible
- Avoid suggestive or leading questions

© 2023 Husch Blackwell LLP

121

Examples of open invitations

“Please tell me what happened that night.”

“Can you walk me through what happened?”

“In your own words, tell me what occurred.”

“Can you tell me everything that happened after you got to the party?”

123

Examples of cued invitations

Examples of recognition prompts

 “What did she say?” (directive)

 “What day did that happen?” (directive)

 “Did it hurt?” (option choosing)

 “Was he slurring words?” (option choosing)

© 2023 Husch Blackwell LLP

125

How do we make a record of the interview?

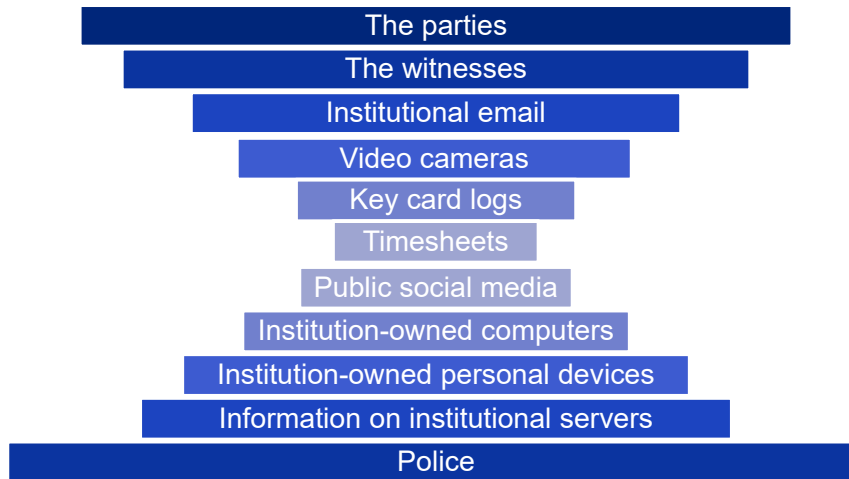

- Trend towards audio recording
- Extensive note taking followed by preparation of a summary is permissible
- Video recording is disfavored

© 2023 Husch Blackwell LLP

126

Example sources of non-testimonial evidence

© 2023 Husch Blackwell LLP

127

May an investigation collect evidence on sexual history?

Generally, no – Evidence of a complainant's prior sexual behavior is relevant only if offered to prove that someone other than the respondent committed the conduct, or if evidence of specific incidents of the complainant's prior sexual behavior with the respondent are offered to prove consent

© 2023 Husch Blackwell LLP

128

Respondent claims to have understood Complainant to have consented to particular sexual activity because, when Respondent engaged in the same type of activity with Complainant in the past, Complainant remarked on really being surprised at having enjoyed it.

Example: Sexual history?

129

HUSCH BLACKWELL

May an investigation collect and rely on privileged records?

- Only if a party waives the privilege
- An institution may not access information under a legally recognized privilege unless the holder of the privilege waives it
- Institution cannot unilaterally access its own counseling and health files for investigation purposes

© 2023 Husch Blackwell LLP

130

131

Institution accessed information from Complainant's campus counseling records without Complainant's consent and included them among investigation records shared with Respondent.

HUSCH BLACKWELL

© 2023 Husch Blackwell LLP

Example: Impermissible collection

132

Do the parties have access to the evidence?

- Parties must be given access to all inculpatory and exculpatory evidence directly related to the allegations (regardless of whether the institution intends to rely on it) at least 10 days before the investigation report is finalized
- Evidence must be provided to a party and their advisor in physical copy or electronically
- Any earlier access to the evidence must be provided equally

© 2023 Husch Blackwell LLP

133

What exactly has to be shared?

- Anything that has “evidentiary” value
- That is, the information is potentially inculpatory or exculpatory in light of the allegations at issue; or is otherwise potentially relevant
- E.g., witness statements; interview transcripts; text messages; social media posts; photographs; etc.
- Logistical communications; calendar invites; support measure communications generally are not shared

© 2023 Husch Blackwell LLP

134

Do the parties get to respond to the evidence?

- Yes – after they review the evidence provided at least 10 days prior to issuance of the investigation report, parties can provide written responses
- Depending on written responses, additional investigation may be needed
- Investigator should consider the written responses in drafting final language of investigation report

© 2023 Husch Blackwell LLP

135

After completing all interviews, investigator uploads interview transcripts and other evidence to a secure file sharing program and sends individual links and passwords to each party and their advisor, placing party-specific watermarks on the evidence.

HUSCH BLACKWELL

© 2023 Husch Blackwell LLP

Example: Permissible provision of evidence

136

Is the evidence “confidential?”

- Institution may require parties and advisors to agree not to disclose investigation evidence to third-parties
- But cannot prohibit parties from speaking about the allegations themselves

© 2023 Husch Blackwell LLP

137

How is the investigation concluded?

- Issuance of a written investigation report
- Must fairly summarize the evidence collected, including both inculpatory and exculpatory evidence
- Must be provided to each party and their advisor at least 10 days prior to any hearing

© 2023 Husch Blackwell LLP

138

Does the investigation report make findings?

- No – the investigation report fairly summarizes the relevant inculpatory and exculpatory evidence collected during the investigation
- Under the current Title IX regulations, factual findings and determinations of policy violations are made by a decision-maker at a subsequent hearing

© 2023 Husch Blackwell LLP

139

May parties have an advisor during the investigation?

- Yes – parties may be accompanied to any investigative interviews and meetings by an advisor of their choice
- Advisor may be an attorney, but does not have to be
- Institution may confine advisor to a passive role during the investigation phase
- Institution is not required to provide an advisor during the investigation phase

© 2023 Husch Blackwell LLP

Group Scenario

Professor is up for tenure review. Before resigning, Fellow worked in Professor's research lab. When asked about Professor during the tenure review process, Fellow informed the tenure review committee that Professor had once thrown items at Fellow in the lab and that Professor expects unreasonably long hours of fellows because of Professor's cultural background. The committee nevertheless recommended promotion.

Two days later, Fellow reported to the Title IX coordinator that Professor "raped" Fellow, and that the two later engaged in a secret consensual sexual relationship. More specifically, Fellow said that Professor invited Fellow to the lab one night and began kissing and groping Fellow; and that, after forcefully trying to push Professor away, Fellow agreed to engage in further sexual relations that night and they had a secret affair thereafter.

After receiving notice of a rape allegation, Professor denies sexual contact with Fellow, consensual or otherwise. Professor alleges that, before Fellow filed the complaint, a colleague heard Fellow threaten to interfere with Professor's tenure process. Professor claims to have not been on campus on the day/night Fellow alleges rape. Professor alleges that another student told Professor that Fellow had lobbied to keep peers out of Professor's lab during the time Fellow claims the two were in a consensual relationship. When asked to provide a list of all days when he was present on campus, Professor asks for counsel.

Questions

© 2023 Husch Blackwell LLP

144

The Hearing

© 2023 Husch Blackwell LLP

145

HUSCH BLACKWELL

What is the purpose of the hearing?

- To hear testimony and receive non-testimonial evidence so that
- The decision-maker can determine facts under a standard of evidence
- Apply those facts to the policy, and
- Issue a written determination resolving the formal complaint and imposing discipline/remedial measures as necessary

© 2023 Husch Blackwell LLP

146

Who is the “decision-maker”?

- A single hearing officer; or
- A hearing panel led by a chair

© 2023 Husch Blackwell LLP

147

What standard of evidence can be used?

- Either
 - Preponderance of the evidence OR
 - Clear and convincing evidence
- Institution must select a standard and apply it uniformly in all cases, regardless of the identity of the respondent

© 2023 Husch Blackwell LLP

148

What happens before the hearing?

- Parties are provided the final investigation report at least 10 days prior to the hearing
- “Decision-maker” must be identified and clear conflicts of interest assessment
- Hearing must be scheduled and logistics arranged
- Witnesses must be notified
- Pre-hearing conference should be held

© 2023 Husch Blackwell LLP

149

How do we schedule a hearing?

- Set aside sufficient time considering the nature and complexity of the case
- Consider class and work schedules of parties and key witnesses to avoid conflicts
- Consider pre-scheduling a backup or “spill over” date in the event the hearing runs long or must be continued
- Provide letters excusing parties and witnesses from other obligations, as necessary

© 2023 Husch Blackwell LLP

150

How do we notify parties and witnesses?

- Institution must provide written notice to the parties of time and place of hearing
- Institution should provide written notice to witnesses requesting their presence
- Notice may be issued by the decision-maker or another institutional official in coordination with decision-maker

© 2023 Husch Blackwell LLP

151

What is a pre-hearing conference?

- A meeting with the parties, decision-maker, and other necessary officials to:
 - Address logistical issues and concerns
 - Discuss the sequence of the hearing and rules of decorum
 - Hear and resolve objections or concerns that can be addressed in advance
 - Take up other issues that will ensure hearing time is focused on testimony

© 2023 Husch Blackwell LLP

152

What are other considerations?

- The pre-hearing conference can be two separate meetings—one with each party and advisor; but follow up notification may be required
- The pre-hearing conference can be conducted virtually
- Advisors should be allowed to attend although their role can still be passive if the institution desires
- The pre-hearing conference is not required but is a best practice that facilitates a smooth hearing

© 2023 Husch Blackwell LLP

153

How does the hearing actually work?

- Title IX regulation is largely silent on specific elements
- Required elements in the regulation include:

Decision-maker(s) must independently evaluate questions for relevance and resolve relevancy objections

Parties' advisors must be allowed to conduct live questioning of other parties and witnesses

EXCLUSIONARY RULE NO LONGER IN FORCE

Questioning of sexual history generally not permitted

© 2023 Husch Blackwell LLP

154

What is a potential sequence?

© 2023 Husch Blackwell LLP

155

Is an advisor allowed to question their own party?

- Not unless the institution chooses to allow it
- The Title IX regulation requires cross-examination, but not “direct” examination

© 2023 Husch Blackwell LLP

156

Who determines relevance?

- Decision-maker(s) must screen questions for relevance and resolve relevance objections
- Decision-maker(s) must explain any decision to exclude a question as not-relevant

159

HUSCH BLACKWELL

Does any testimony get excluded?

- Evidence excluded if not relevant
- Evidence excluded if impermissible sexual history or confidential/privileged
- Testimony is no longer excluded under the exclusionary rule

160

Respondent stated in an investigative interview that Respondent could not have committed sexual assault on the night in question because Respondent was out of town. HUSCH BLACKWELL

© 2023 Husch Blackwell LLP

Example: Exclusion?

161

HUSCH BLACKWELL

Is an advisor required to ask questions a party wants asked?

- Advisors should consult with their party and consider their preferences for what questions to ask
- But an advisor must exercise their own reasonable judgment and is never required to ask questions that the advisor knows are improper (e.g., invade sexual history)
- An advisor may consult the decision-maker if a party demands the advisor ask a question that advisor is uncertain is appropriate

© 2023 Husch Blackwell LLP

162

Can we have standards of decorum for hearings?

- Yes, strongly recommended
- But standards must be applied equally/equitably to both parties

© 2023 Husch Blackwell LLP

163

Institution's hearing procedures require all participants to turn on their cameras throughout any testimony, to avoid interrupting others, and to mute themselves when not speaking.

HUSCH BLACKWELL

© 2023 Husch Blackwell LLP

Example: Rules of decorum

164

Are there “objections” at hearings?

- Minimally, the institution must allow a party to raise an objection that evidence is not relevant or should be specifically excluded (e.g., sexual history; confidential privilege)
- Institution may permit other objections to be raised
- Institution may limit the right of objection to a party

© 2023 Husch Blackwell LLP

165

Can we delay or “continue” a hearing once it starts?

- Yes, but only if a delay is not clearly unreasonable
- Consider pre-scheduling an alternative date
- Inconvenience alone should not be the determinative factor; every date will inconvenience someone

© 2023 Husch Blackwell LLP

166

How do(es) the decision-maker(s) decide a case?

After hearing, decision-maker(s) must deliberate and consider all the admissible testimony and admissible non-testimonial evidence

Evaluate evidence for weight and credibility

Resolve disputed issues of fact under the standard of evidence adopted by the institution

Using the facts as found, apply the policy's definitions to those facts to determine whether sexual harassment occurred

© 2023 Husch Blackwell LLP

167

Assessment of credibility

- Line up facts relevant to credibility
- Factors (among others)
 - Plausibility—Is the testimony believable and does it make sense?
 - Specificity
 - Motive to falsify—Does the person have a reason to lie (other than mere status as party)?
 - Corroboration/consistency/contrary evidence—Is there testimony or evidence that corroborates the witness account? Are the witness accounts consistent? Are inconsistencies explained? Is there evidence disputing the witness account?
 - Past Record—Does the person have a history of similar behavior?

© 2023 Husch Blackwell LLP

168

How do(es) the decision-maker(s) issue a decision?

- In a written document, provided contemporaneously to the parties that:
 - Identifies the allegations of sexual harassment
 - Describes the various procedural steps taken from the time the formal complaint was made
 - States findings of facts supporting the determination
 - Reaches conclusions regarding application of relevant policy definitions to the facts
 - Includes a rationale for each finding for each allegation
 - States the disciplinary sanctions and remedies, if implicated by the determination made, and
 - Explains the procedures and grounds for appeal

© 2023 Husch Blackwell LLP

169

Who determines discipline and remediation?

- Some institutions will have the decision-maker(s) also impose discipline
- Others may refer a disciplinary authority with jurisdiction over the respondent (i.e., Dean of Students, Provost, Director of Human Resources, etc.)
- If referred to someone else, that must occur before the written determination is issued

© 2023 Husch Blackwell LLP

170

Sanctioning Goals

- Punitive
- Safety
- Reduce recidivism / recurrence
- Advance educational and developmental growth of offender (learning from one's mistake)
- Appropriate fit for circumstances

© 2023 Husch Blackwell LLP

171

What are common aggravating and mitigating factors?

- Egregiousness of misconduct (e.g., act of violence, use of a weapon, use of drug)
- State of mind of respondent (bias-motivated, reckless or negligent, prior education)
- Safety risk to the broader community
- Impact statement
- Conduct during the investigation and adjudication (cooperative or less than cooperative)
- Circumstances relating to a lack of consent (force, threat, coercion, intentional incapacitation)
- Position of trust / power differential

173

HUSCH BLACKWELL

What are the grounds for appeal?

Title IX regulation requires the following permitted grounds:

Procedural irregularity that affected the outcome of the matter

New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; or

Title IX Coordinator, investigator, or decision-maker (hearing official) had a conflict of interest or bias against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter

Informal Resolution & Other Processes

© 2023 Husch Blackwell LLP

179

HUSCH BLACKWELL

What is informal resolution?

- A voluntary process to resolve formal complaints of sexual harassment through a mechanism other than the default investigation and hearing.

© 2023 Husch Blackwell LLP

180

What are the key concepts of informal resolution?

A formal complaint must first have been filed and written notice given to the parties

The parties must be apprised in writing of how the informal resolution process will work and the consequences of participating in it

The parties must voluntarily agree to participate in writing

The parties must be allowed to withdraw from informal resolution up until the point it is final

© 2023 Husch Blackwell LLP

181

What are the limitations?

- Informal resolution cannot be used where an employee is accused of sexually harassing a student
- Informal resolution cannot be used in the absence of a formal complaint
- Institution cannot require persons to consent to informal resolution as a condition of employment or enrollment

© 2023 Husch Blackwell LLP

Example: Permissible informal resolution

184

Must an institution allow informal resolution?

- Current regulations permit but do not require informal resolution

© 2023 Husch Blackwell LLP

185

What factors should be considered in approval?

- Severity and nature of the conduct
- Whether respondent is repeat offender
- Presence of other conduct violations
- Public perception
- Confidence in parties' ability to uphold agreement
- Sufficiency of the terms
- Others?

© 2023 Husch Blackwell LLP

186

What issues need to be addressed in informal resolution?

- The substantive terms
- How compliance will be verified
- The punishment for non-compliance
- The effect on the pending formal complaint
- The effect on collateral conduct charges/policy violations
- Others?

190

How should we document an informal resolution?

- Documented in writing
- All essential terms in the same document
- Signed by the parties
- Dated
- Indicating institutional approval
- Indicating closure of grievance procedure

© 2023 Husch Blackwell LLP

191

Is Title IX the exclusive process for resolving sexual misconduct?

- No
- Title IX does not preclude the use of other policies and processes that may be implicated by a report of sexual misconduct

© 2023 Husch Blackwell LLP

192

What other policies/processes may apply?

- Title VII policy
- Consensual relationships policy
- Professionalism policies
- Student code of conduct
- Threat assessment
- Employee handbook provisions
- Faculty handbook provisions
- Contractual provisions

© 2023 Husch Blackwell LLP

193

At what point can we use some other policy?

Depending on facts:

© 2023 Husch Blackwell LLP

194

Can we use another process to make the same finding we would otherwise make under Title IX policy?

- No
- Title IX regulation requires the use of specific Title IX process for any “sexual harassment” as defined by Title IX that occurs in institution’s programs and activities

To recap ...

Audrey is a student in University's nursing program and she is 8 months pregnant. She has frequent medical appointments and has missed several classes in Professor's Microbiology course due to pregnancy complications.

After missing multiple in-class quizzes and participation points due to medical appointments, Audrey has a grade of C in Professor's course. She informs Professor that she is pregnant and requests alternative arrangements for tests and quizzes on days that she feels ill or has an appointment scheduled. Professor declines Audrey's request.

Audrey ultimately fails the course after missing her final exam due to emergency pregnancy complications. Audrey emailed Professor after the exam, but Professor refused to reschedule the final exams for her.

Audrey files a Title IX Complaint against Professor, which goes to a hearing. During the hearing, it is revealed that Audrey also informed her other professors at the University of her pregnancy. Though those professors helped modify their courses for her, none of the professors provided Audrey with the Title IX Coordinator's contact information.

230

Institution moves to a single investigator/decision-maker model. Investigator completes investigation, provides the parties with access to evidence and an opportunity to submit proposed questions to pose to the other party and witnesses. Investigator then schedules follow-up meetings with each party/witness for whom additional questions have been submitted. Investigator provides any new evidence to the parties and an opportunity to respond. Investigator then proceeds with a determination, consulting others as appropriate to decide any discipline/remediation.

© 2023 Husch Blackwell LLP

238

Update: Access to Evidence and Investigation Reports (cont.)

 - If adopting single investigator/decision-maker model, investigation report is effectively supplanted by a written decision document

© 2023 Husch Blackwell LLP

239

 - Institution must provide the parties with a “reasonable opportunity to review and respond to the evidence” prior to the determination
 - May be satisfied simply by allowing the party to respond at the hearing itself

 - Use of an investigation report is optional; parties may simply be provided access to the evidence itself

© 2023 Husch Blackwell LLP

240

 - “May aid a decisionmaker in determining whether the alleged sex discrimination occurred”

© 2023 Husch Blackwell LLP

Graduate Institution has only 40 students, each an adult engaged in highly specialized scientific research. The vast majority of employees at Graduate Institution are physicians or PhDs. Graduate Institution has had Title IX processes in place under a preponderance of the evidence standard for years, as well as required education for all stakeholders. Graduate Institution has had one Title IX Sexual Harassment complaint, which was a clear violation. Graduate Institution amends its policy to match its other existing disciplinary policies, requiring that policy violations be established by clear and convincing evidence.

© 2023 Husch Blackwell LLP

247

Update: Investigation report Details

- Proposed regulation only requires “information about the policies and procedures” used, instead of a listing of all procedural steps.

© 2023 Husch Blackwell LLP

248

Update: Appeal Standard

- Proposed regulation would provide similar grounds for appeal to current regulation, but each requires a showing that the outcome “would” have changed, instead of “could” have changed.

© 2023 Husch Blackwell LLP

249

Updates: Informal Resolution

- Formal “written” complaint would no longer be required
- Would not be allowed in any case where an employee is accused of discriminating against or sexually harassing a student.
- Proposed regulation would provide that, if informal resolution fails and the grievance process resumes, the institution may not use evidence obtained solely through informal resolution in the grievance process.

© 2023 Husch Blackwell LLP

 - To whom reports are made
 - Whether the victim was informed of resources
 - Whether institution conducted an investigation and the duration of investigation
 - Impact of incidents on victims’ education, “including diminished grades, dropped classes, leaves of absence, and negative financial consequences”
