

TESLA X NEWSCHOOL: PORTFOLIO REVIEW & RECRUITING DAY

Date: Tuesday, Oct. 28 | 11:30 AM – 2:00 PM

Location: NewSchool Gallery A, Auditorium

Tesla's Vehicle Engineering & Design Team is coming to campus!

This is your chance to connect directly with one of the world's top design innovators. **This event is open to all NewSchool students** who are eager to learn, network, and explore internship or career opportunities with industry leaders.

Who is Coming?

- Tesla representatives from the architecture, product design, digital modeling, and recruitment team will be visiting NewSchool to meet with students and discuss potential industry opportunities.

Why You Should Go?

- Meet Tesla designers and hear about their process, culture, and careers.
- Learn about internships across CMF, Product Design, Digital Modeling, and more.
- Get your portfolio reviewed by Tesla recruiters and designers.
- Network face-to-face and see what it takes to work at Tesla.
- Showcase your work and level up your projects to industry standards.

🔥 Attention: Students interested in applying for Tesla internships must submit their resumes and portfolios to Rick and Christina **no later than Friday, October 24.**
